

UGA Public Health
Engage Seminar Series:

Health Equity Pre- and Post-COVID-19

Joseph Morris, MPH

Data Analytics Research Fellow
Centers for Disease Control & Prevention

AUGUST 23 | 12 P.M.
VIA ZOOM

Join us for a discussion led by CDC Data Research Fellow Joseph (Jay) Morris on how work to address health inequities was shaped by the pandemic. The presentation will include resources and tools to integrate various data into everyday public health work.
